

Hello!

Bringing home a puppy is a big decision, so thank you for considering Spiess Family Breeders.

We have welcomed and cared for 35 total puppies so far and have met some of the best people because of it! We feel so blessed that the Lord has allowed us to bring life and joy in the form of a puppy, and we have full confidence that He is behind our success.

### About this Litter

We are pleased to announce that we are opening up our Bella/Milo Waitlist! This litter will be an F1bb mini Cavapoo litter. Since this will be the first time having a Bella/Milo litter, we do not know for sure what we will be getting as far as looks go. However, we do anticipate red/white coats and expect their curl to be similar to the Poodle. These pups will be 3/4th Poodle and 1/4th Cavalier. We anticipate the puppies being anywhere between 10-15 lbs full-grown. The timing of this litter will likely be in the spring of 2025. The genetic results of both dogs can be found on our website. Both dogs have extremely loving personalities and good-natured dispositions. We can not wait to see what these two adorable pups produce and we anticipate their waitlist to fill up quickly! You can check out our Facebook page at [Spiess Family Breeders](#) to see how we love and care for our puppies!!

### \$300 Waitlist Deposit

This deposit is non-refundable; however, if the timing is not right for you when we have a litter, or you are not able to choose the gender or coat/color of dog you were hoping for, we will move your name to the next litter waitlist. This deposit goes towards the overall cost of the puppy which is \$2500. Once a puppy has been chosen, an additional \$200 holding deposit will be required as well as a Holding Contract. This deposit will also go towards the total cost of the puppy.

### Waitlist Contract

By filling out our Waitlist Contract, we have all of your contact information as well as your preferences for how to be contacted. This helps us to know how to reach out when it is time to choose your puppy. \

If you are ready to take the next step and would like to be included in our Jozie/Rex fall litter (or any litter), then please reach out to Andrea ASAP. Our list will fill up quickly and will be conducted according to the date that we were reached out to as well as when the Waitlist Deposit and Contract were returned.
